To Whom It May Concern,

The Ringwood Educational Foundation's mission is to enhance and enrich the public-school curriculum through grants awarded to teachers. These grants are awarded on a yearly basis to the teachers within Ringwood's four public schools. Through grant projects, our students have the opportunity to broaden their knowledge of science, math, literacy, STEM, art, culture and athletics. Over the past 3 years we have granted ***over $110,000*** back into the Ringwood schools!

On behalf of the Ringwood Educational Foundation, we respectfully request a donation for our annual Tricky Tray event, taking place on **Friday April 17, 2026**. This event is attended by close to 300 residents and is our biggest fundraiser! Since we are a registered 501(c)(3), your tax-deductible donation will help us continue our important mission and will benefit over 900 students.

The faculty, children, parents and the Tricky Tray Committee thank you in advance for your consideration in supporting our endeavor. Receipts of your donation can be made available upon request.

Very truly yours,

Amy Pullaro, Donations Coordinator of The Ringwood Educational Foundation

Donations can be mailed to:
