To Whom It May Concern,

The Ringwood Educational Foundation's mission is to enhance and enrich the public school curriculum through grants awarded to teachers. These grants are awarded on a yearly basis to the teachers within Ringwood's four public schools. Through grant projects, our students have the opportunity to broaden their knowledge of science, math, literacy, STEM, art, culture and athletics.

On behalf of the Ringwood Educational Foundation, we respectfully request a donation for our annual Tricky Tray event, taking place in April. Since we are a registered 501(c)(3), your tax deductible donation will help us continue our important mission and will benefit over 1,500 students.

The faculty, children, parents and the Tricky Tray Committee thank you in advance for your consideration in supporting our endeavor. Receipts of your donation can be made available upon request.

Very truly yours,

The Ringwood Educational Foundation
