

*The Ringwood Educational Foundation's mission is to enhance and enrich the public school curriculum through mini-grants awarded to teachers in our four public schools.*

Here are some of the projects and educational equipment that have been funded:

- New Computers and Chrome Books for Students
- New Smartboards for Classrooms
- Climbing Wall and Adjustable Basketball Hoops for Gymnasiums
- Musical Instruments, Art Supplies, and Science Kits
- Health/Nutrition, Science, and Reading programs for teachers

With continuing cutbacks in educational programs, your support for helping our Ringwood children becomes even more critical.

**Thank you for your support!**

The Ringwood Educational Foundation, Inc. has funded over \$550,000 in grants to our public schools in the past twelve years. We can't do it without YOUR support!
